EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Sydeny Johnston on July 11, 2005.

Cancel claims 21-30.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claims 1, 8 and 18 are allowed. The prior art discloses a method and apparatus for determining latency of a selected path in a computer network having a plurality of network nodes where first entity is disposed at one end of the path and second entity is disposed at the second end of the same selected path for latency measurements.

The prior art however fails to disclose or suggest a source routing option to include in the selected path a state setup message, the source routing option having a choice between strict source routing or loose source routing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2664

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
